

Mystery Music Camp – Day 1

Today your child learned about:

- **Psalm 150**
- **The Families of the Orchestra (There are 4, so ask your child if he/she remembers them all!)**
- **The individual Brass Instruments and where they sit in the orchestra (Do you know how long a trumpet is when it is all stretched out? Your child does!)**
- **The Grand Staff and Time Signatures**
- **Rhythm and Pizza! (Yes, your child knows that connection!)**
- **Saint-Saens and the Carnival of the Animals**
- **Musical Dynamics as it relates to volume**

Tomorrow is “Crazy Hat” day! Those crazy hats will be used to illustrate something very important in our instrument investigation! So have your child wear a hat to camp tomorrow!

Mystery Music Camp – Day 2

Today your child:

- **Reviewed all the cool things we learned yesterday**
- **Learned about the Woodwind Instruments and played one! (Ask them what a reed is!)**
- **Learned where the Woodwinds sit in the Orchestra**
- **Learned more about Saint-Saens and the Carnival of the Animals**
- **Learned musical note values**
- **Worked with rhythm sticks and rhythm charts**
- **May have gotten a “speeding ticket” ! Ask about it!**

Tomorrow is all about the Strings! Your child knows to find some way to dress with strings! Tie them on wrists, hang them from clothes...whatever. Just be sure to wear them...Be creative!
