

A Star is Born!

Playing Your Way to Fame!

Popcorn and a Movie!

As you earn practice stars and reach a large challenge star, you receive a **Practice Success!** ticket. Place your name on the back side of the ticket and put it in the popcorn bucket for a chance to win cool prizes!

At every group lesson, a ticket will be drawn. The more tickets you have in the popcorn bucket, the more chances you have to win!

CELEBRITY AUTOGRAPHS!

Performing gets easier the more we do it! I want to encourage you to perform as often as possible! You should be proud of how far you've come in lessons!

Look for opportunities to play for your family and friends or at school or church! Each time you perform for someone, ask them to "autograph" your performance book! For each autograph you get (one per performance), you will receive an additional ticket in the popcorn bucket to increase your chances to win!

Two rules...

- 1.** Your immediate family can only autograph your performance book once a month.
- 2.** You can only get one autograph per performance opportunity!
